

The George

We're back!! After what has felt like the longest week in isolation, we have been busy trying to come up with a way we can supply everybody with super hearty, healthy and most importantly tasty 'heat at home' meals. After last weeks' announcement from the prime minister we felt we needed time to be able to plan the safest way of preparing and supplying our customers with a take away option in these challenging times.

We'll try and keep things as simple and easy to understand as possible. We can provide 'heat at home' meals, delivered to your door. We will take orders Wednesday – Friday from 9am until 2pm. All food must be pre-ordered to ensure we can meet demand and keep everything freshly prepared. All payments taken by card over the phone. Below are the menu choices.
